

Grow Inline Connect Interlighting Greenhouse

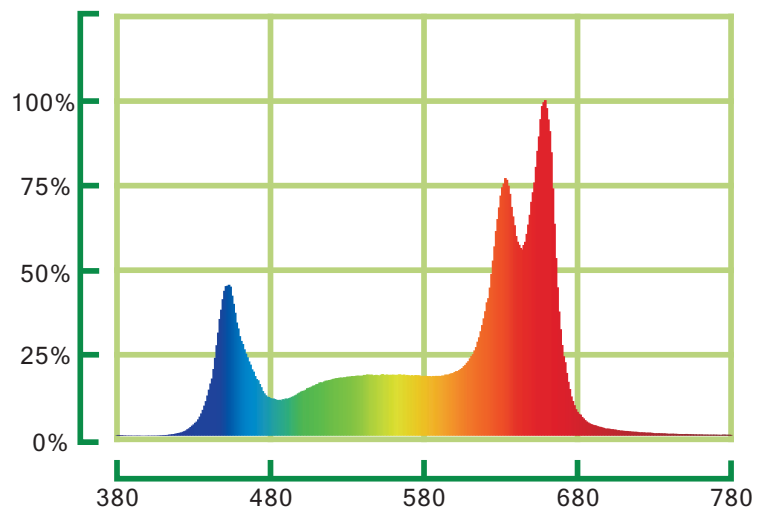

FEATURE

IP65 IK08

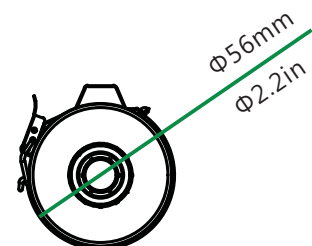

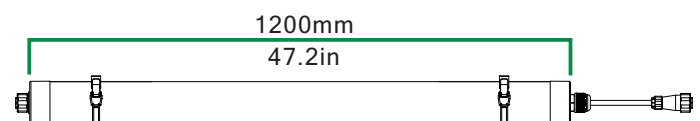

Double side, 120° beam

Full spectrum design
(suitable for reproductive growth
including cucumbers and tomatoes)

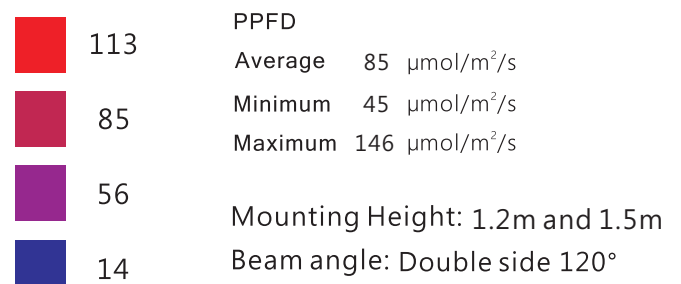

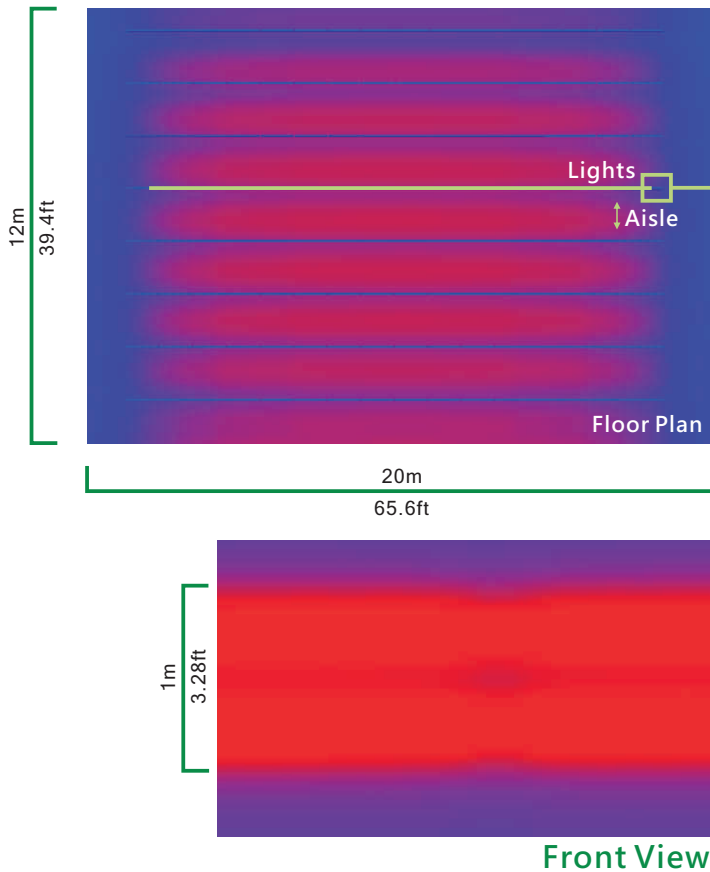

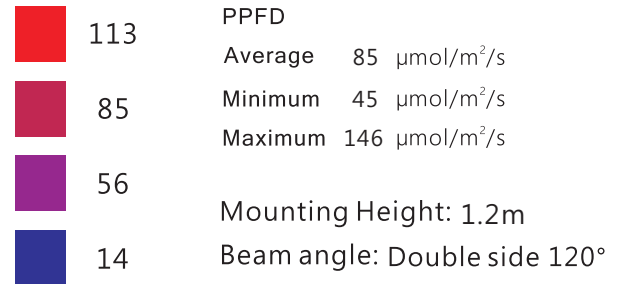

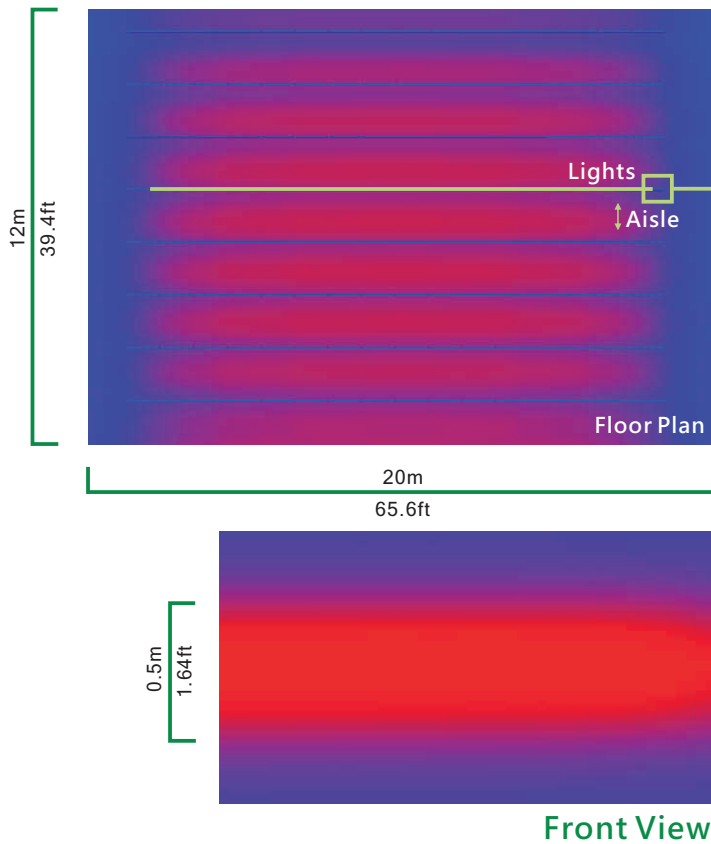

SPECIFICATIONS

Project Code	298
Input Power	60W
Input Voltage	AC 100-277V
Efficiency	1.7μmol/J
Beam Angle	120°
PPF	102μmol/S
Weight	1.7Kg(3.7lbs)
Heat	205BTU/hr
